*Student
Transition*

GUIDE

Planning for Grade 9

WELCOME TO Secondary School!

**Student
Success**
GRADES 7-12

FOR STUDENTS

Preparing for high school is an exciting time in your life as you transition from elementary school to a more independent learning environment. Part of what marks this transition is the variety of opportunities that are available in secondary schools for you as a learner. With those opportunities also comes more responsibility as you navigate important choices as to how to best position yourself to be a successful learner and experience a sense of well-being in your new school.

High schools have much in common with elementary school—caring and supportive teachers, co-instructional activities such as clubs and teams, and friendly students in the hallways. Each secondary school offers an extensive orientation program for grade 8 students making the transition to grade 9. Be sure to participate in these programs. Ask questions and remember that the Guidance staff and all teachers are there to assist you with your transition to high school.

FOR PARENT(S)/GUARDIAN(S)

We want you and your child to feel welcome in the new school. Research shows that learning improves when parent(s)/guardian(s) work together with the school as partners in their child's student achievement and sense of well-being.

We encourage you to remain involved by attending information sessions, joining the school community council, and most importantly engaging in dialogue with your child on their daily progress at high school. We have a shared responsibility to provide your child with the best possible education in a safe and supportive environment. We look forward to working with you in support of student success in the Durham District School Board.

We wish you and your child a successful transition as they begin their secondary school journey.

Norah Marsh
Director of Education
Durham District School Board

SECONDARY SCHOOL

Terms and Definitions

COMMUNITY INVOLVEMENT HOURS

Students must complete 40 hours of community involvement activities in order to earn their Ontario Secondary School Diploma (OSSD). Students may begin completing this requirement in the summer going into their grade 9 year. Information can be found on the DDSB website: www.ddsb.ca/en/programs-and-learning/community-involvement-hours.aspx

COMPULSORY COURSE

Refers to a course that students must take that fulfills part of the OSSD or Ontario Secondary School Certificate (OSSC) requirements.

COURSE CODE

This 6-character code describes the subject, grade level and pathway or destination of a high school course.

CREDIT

A credit value of 1.0 is granted upon successfully completing a 110-hour course with a minimum of 50%.
A credit value of 0.5 is granted upon successfully completing a 55-hour course with a minimum of 50%.

EQAO ASSESSMENT OF MATHEMATICS

The Assessment of Mathematics is written in Grade 9. Depending on when you have Math, it is written in either January or June.

EQAO LITERACY TEST

The literacy test is written in Grade 10. A student must pass the literacy requirement to earn their OSSD.

EXAMS

Students may write an exam, which tests their knowledge on the entire course work, at or near the end of the semester.

INDIVIDUAL PATHWAY PLAN (IPP)

Students use an Individual Pathway Plan (IPP) to track the growth of their career development competencies and plan for their future. myBlueprint is the digital platform that this is created on.

LEARNING GOALS

Brief statements that describe for a student what they should know and be able to do by the end of a period of instruction.

ELECTIVE COURSES

Students will select 12 elective courses that are of specific interest to them and which will count towards the 30 credit OSSD requirement or 7 elective courses required towards the 14 credit OSSC.

PREREQUISITE COURSE

Refers to a specific course that you must complete successfully before taking another course at the next grade level.

SEMESTER

The school year is divided into two semesters. A student will take four courses each semester. Semesters run from September to January and February to June.

STUDENT SUCCESS

High schools have staff and programs in place to support and improve student learning.

SUCCESS CRITERIA

Standards or specific descriptions of successful attainment of learning goals developed by teachers on the basis of criteria in the achievement chart that are used to determine to what degree a learning goal has been achieved.

TIMETABLE

A timetable outlines the course, time, room number, lunch period, teacher and semester in which students will take all of their courses.

ONTARIO SCHOOLS: K TO 12, 2016

This document outlines the requirements to earn the following:

Certificate of Accomplishment

Students who are leaving secondary school upon reaching the age of eighteen without having met the requirements for the OSSD or the OSSC may be granted a Certificate of Accomplishment.

Ontario Secondary School Certificate (OSSC)

The OSSC will be granted, on request, to students who are leaving secondary school upon reaching the age of 18 without having met the requirements of the OSSD, yet having fulfilled all necessary requirements for the OSSC.

Ontario Secondary School Diploma (OSSD)

The OSSD will be granted after a student fulfills all necessary credits, literacy and community involvement hour requirements.

Information can be found on the Ministry of Education website www.ontario.ca/page/ministry-education

ONTARIO SECONDARY SCHOOL DIPLOMA

1 30 CREDITS
in total

2 40 hours of
COMMUNITY INVOLVEMENT

3 COMPLETION OF THE Literacy Requirement

*A maximum of 3 credits in English as a Second Language (ESL) or English Literacy Development (ELD) may be counted towards the 4 compulsory credits in English, but the fourth must be a credit earned for a Grade 12 compulsory English course.

**In groups 1, 2 and 3, a maximum of 2 credits in French as a Second Language can count as compulsory credits, one from group 1 and one from either group 2 or 3.

***A maximum of 2 credits in cooperative education can count as compulsory credits.

[†]The 12 elective credits may include up to 4 credits earned through approved dual credit courses.

18 COMPULSORY CREDITS

Students must earn the following compulsory credits to obtain the Ontario Secondary School Diploma:

CREDITS	SUBJECT
4	English (1 credit per grade)*
3	Mathematics (1 credit in Grade 11 or 12)
2	Science
1	Canadian History
1	Canadian Geography
1	Arts
1	Health and Physical Education
1	French as a Second Language
0.5	Career Studies
0.5	Civics

Plus one credit from each of the following groups:

CREDITS	SUBJECT
1	GROUP 1
	English or French as a second language**
	A Native language
	A Classical or International Language
	Social Sciences and the Humanities
	Canadian and World Studies
	Guidance and Career Education
Cooperative Education***	
1	GROUP 2
	Health and Physical Education
	The Arts
	Business Studies
	French as a Second Language**
Cooperative Education***	
1	GROUP 3
	Science (Grade 11 or 12)
	Technological Education
	French as a Second Language**
	Computer Studies
Cooperative Education***	

IN ADDITION, STUDENTS MUST COMPLETE:

✓	12 elective credits [†]
✓	40 hours of community involvement activities
✓	the provincial literacy requirement

REPORT CARD

Learning Skills

Each learning skill is connected to your ability to be a successful student. Take a moment and read through each of the six learning skills below. How will you demonstrate each as a high school student?

Responsibility

THE STUDENT:

- fulfills responsibilities and commitments within the learning environment;
- completes and submits class work, homework, and assignments according to agreed-upon timelines;
- takes responsibility for and manages own behaviour.

Organization

THE STUDENT:

- devises and follows a plan and process for completing work and tasks;
- establishes priorities and manages time to complete tasks and achieve goals;
- identifies, gathers, evaluates, and uses information, technology and resources to complete tasks.

Collaboration

THE STUDENT:

- accepts various roles and an equitable share of work in a group;
- responds positively to the ideas, opinions, values, and traditions of others;
- builds healthy peer-to-peer relationships through personal and media-assisted interactions;
- works with others to resolve conflicts and build consensus to achieve group goals;
- shares information, resources, and expertise and promotes critical thinking to solve problems and make decisions.

Independent Work

THE STUDENT:

- independently monitors, assesses and revises plans to complete tasks and meet goals;
- uses class time appropriately to complete tasks;
- follows instructions with minimal supervision.

Initiative

THE STUDENT:

- looks for and acts on new ideas and opportunities for learning;
- demonstrates the capacity for innovation and a willingness to take risks;
- demonstrates curiosity and interest in learning;
- approaches new tasks with a positive attitude;
- recognizes and advocates appropriately for the rights of self and others.

Self-Regulation

THE STUDENT:

- sets own individual goals and monitors progress towards achieving them;
- seeks clarification or assistance when needed;
- assesses and reflects critically on own strengths, needs, and interests;
- identifies learning opportunities, choices, and strategies to meet personal needs and achieve goals;
- perseveres and makes an effort when responding to challenges.

DID YOU KNOW? THESE LEARNING SKILLS WILL BECOME YOUR EMPLOYABILITY SKILLS IN THE FUTURE!

ONTARIO SECONDARY SCHOOL CERTIFICATE

The Ontario Secondary School Certificate (OSSC) will be granted, on request, to students who are leaving secondary school upon reaching the age of eighteen without having met the requirements of the Ontario Secondary School Diploma (OSSD). To be granted an OSSC, a student must have earned a minimum of 14 credits, distributed as shown.

14 CREDITS in total

7 COMPULSORY CREDITS

Students must earn the following compulsory credits to obtain the Ontario Secondary School Certificate:

CREDITS	SUBJECT
2	English
1	Mathematics
1	Science
1	Canadian History or Canadian Geography
1	Health and Physical Education
1	Arts, Computer Studies or Technological Education

7 ADDITIONAL CREDITS

7	7 additional credits selected by the student from available courses
---	---

CERTIFICATE OF ACCOMPLISHMENT

Students who are leaving secondary school upon reaching the age of eighteen without having met the requirements for the OSSD or the OSSC may be granted a Certificate of Accomplishment. The Certificate of Accomplishment may be a useful means of recognising achievement for students who plan to take certain kinds of further training, or who plan to find employment directly after leaving school. The Certificate of Accomplishment is to be accompanied by the student's Ontario Student Transcript. For students who have an Individual Education Plan (IEP), a copy of the IEP may be included.

Students working towards a Certificate of Accomplishment may take K- courses, which are alternative, non-credit courses for students with special education needs. These courses are designed to support the growth of fundamental skills, independence and self-care. For example, Money Management and Personal Banking (KBBANP) and Transit Training and Community (KCCANV) are two possible course offerings.

Inclusive STUDENT SERVICES

Inclusive Student Services within the Durham District School Board strives to provide a range of programs, placements and services for students with special needs in a supportive environment which enables them to develop to their full potential as students and as members of their communities.

Inclusive Student Services programs and services primarily consist of instruction and assessment that are different from those provided to the general student population. These may take the form of accommodations (such as specific teaching strategies, preferential seating, and assistive technology) and/or an educational program that is modified from the age-appropriate grade level expectations in a particular course or subject.

MANY PATHS TO SUCCESS

Students' needs can be met through a variety of programs, placements and class types within the DDSB. We strive to help every student meet his or her full potential, while fostering the highest level of independence possible for each student. We work with parents and board staff to determine the placement that best meets the student's needs, whether that is in a regular classroom, or for some students, in a special education class.

We place a strong emphasis on the inclusion of our students with special needs, regardless of the type of class into which the student is placed.

If you have questions or concerns about your child, contact the Special Education Resource Teacher at your school.

When an **IDENTIFICATION, PLACEMENT AND REVIEW COMMITTEE (IPRC)** identifies a student as an exceptional pupil, the principal must ensure that an Individual Education Plan (IEP) for that student is developed and maintained. An IEP must be developed with input from the parent(s)/guardian(s) and from the student if they are sixteen years of age or older. An IEP may also be prepared for students who require accommodations, program modifications, and/or alternative programs, but who have not been identified as exceptional by an IPRC.

WHAT IS AN INDIVIDUAL EDUCATION PLAN (IEP)?
An IEP identifies the student's specific learning expectations and outlines how the school will address these expectations through appropriate accommodations, program modifications and/or alternative programs as well as specific instructional and assessment strategies. The learning program provided for the student is adjusted on the basis of the results obtained through continuous assessment and evaluation.

ESL & ELD

ENGLISH AS A SECOND LANGUAGE AND ENGLISH LITERACY DEVELOPMENT

The Durham District School Board offers **English as a Second Language (ESL)** and **English Literacy Development (ELD)** programs for our **English Language Learners (ELL)** whose first language is a language other than English or is a variety of English that is significantly different from the English used in Ontario schools. They may be Canadian-born or newcomers from other countries. English Language Learners come from diverse backgrounds and school experiences and have a wide variety of needs. Students may initially require educational accommodations to assist their development of English language proficiency.

An initial assessment is needed to determine English language proficiency for students who are new to Canada. This diagnostic tool places ELLs on the Steps to English Proficiency (STEP) continuum of language acquisition and guides programming for the student.

VISION OF THE ENGLISH LANGUAGE LEARNER

English Language Learners (ELL) come with many assets and skills. They will:

- learn English at the same time as the Ontario curriculum;
- have access to an ESL resource period where the ESL coach provides additional support with mainstream content;
- see themselves in the learning environment;
- feel that their culture and language are valued;
- have confidence to express their opinion and know they have a voice;
- meet high expectations when they are involved in setting goals (with appropriate supports);
- have opportunities to choose pathways that honour their strengths and interests.

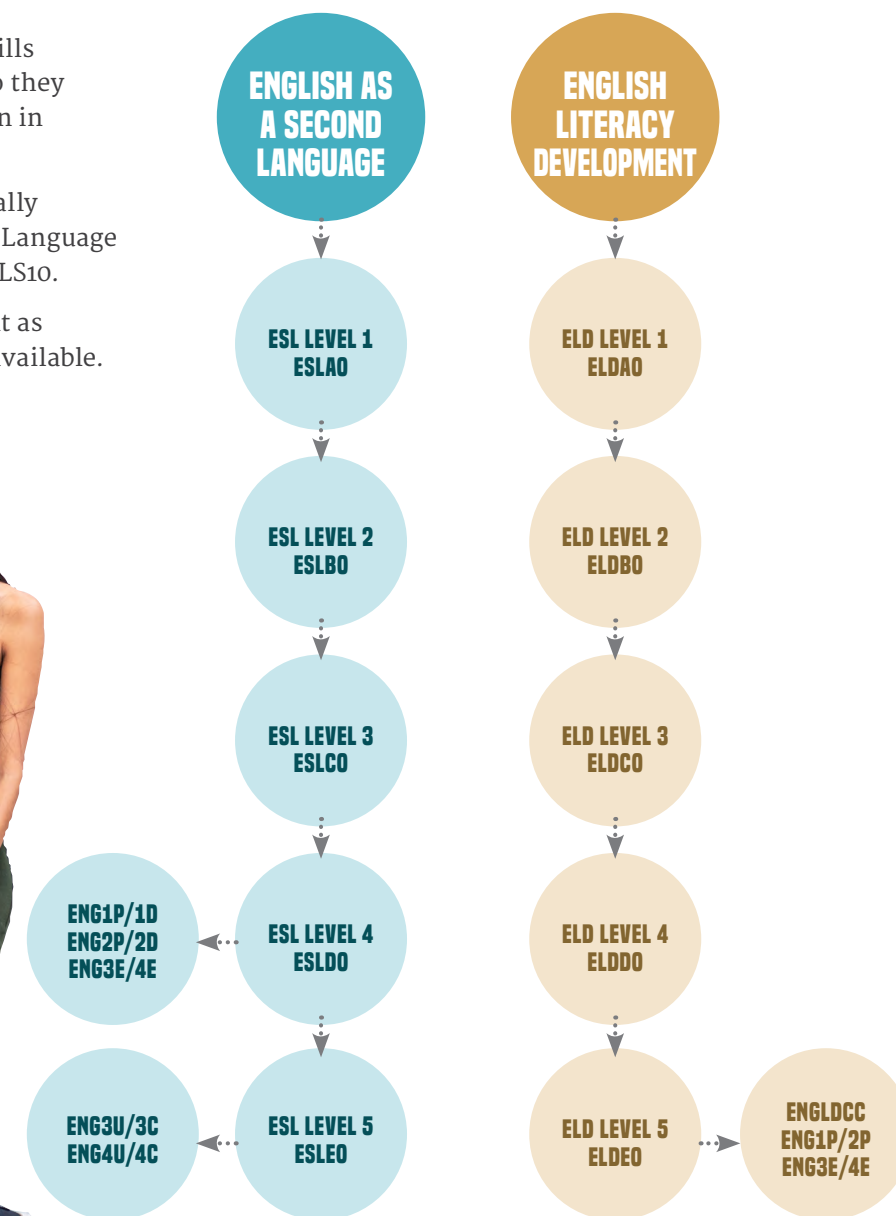

PATHWAYS TO ENGLISH

The ESL and ELD curriculum expectations provide English Language Learners opportunities to develop language skills in both daily and academic English so they may experience successful integration in mainstream school programs.

Additional sheltered courses specifically tailored to meet the needs of English Language Learners include EPS30, ELS30, and GLS10.

Check with your guidance department as additional sheltered courses may be available.

ADDITIONAL SUPPORT

Settlement Workers In Schools (SWIS) help connect new students and families to community services and resources. SWIS offer group sessions, assist school staff, and respond to settlement issues that some newcomers may experience.

CONTACT THE GUIDANCE DEPARTMENT, ESL FACILITATOR, OR ESL COACH FOR FURTHER INFORMATION

Decoding a COURSE CODE

Courses use a 6-character course code for identification. The first 5 characters of the course code are set out by the Ministry of Education. The sixth character is used by school boards to identify a specific characteristic of the course. For example, French Immersion is identified in the DDSB with an "F".

ENG 1D1

These 3 letters identify the subject. The first letter in the course code denotes the course's department area.

- A = Arts
- B = Businesses
- C = Canadian and World Studies
- E = English
- F = French
- G = Guidance and Career Education
- H = Humanities and Social Sciences
- L = International Languages
- M = Mathematics
- P = Physical Education
- S = Sciences
- T = Technology

This number identifies the grade.

- 1 = Grade 9 3 = Grade 11
- 2 = Grade 10 4 = Grade 12

Schools use this final character to distinguish course delivery

This letter identifies the course type.

- | | |
|-----------------------|------------------------|
| Grades 9-10 | Grades 11-12 |
| D = Academic | C = College |
| L = Locally Developed | E = Workplace |
| O = Open | M = College/University |
| P = Applied | O = Open |
| | U = university |

Class Time: 75 minutes per class with travel time in between each period

CHOOSING *my* SUCCESS!

TYPES OF COURSES IN GRADE 9

ACADEMIC

Academic courses focus on the essential concepts of the discipline plus additional related concepts. Academic courses develop student's knowledge and skills by emphasizing theoretical, abstract applications of the essential concepts while incorporating practical applications, as appropriate.

APPLIED

Applied courses focus on the essential concepts of the discipline. Applied courses develop student's knowledge and skills by emphasizing practical, concrete applications of the essential concepts while incorporating theoretical applications, as appropriate.

LOCALLY DEVELOPED

Locally developed courses are intended for students who require flexibility and support in order to meet credit requirements. These courses review and reinforce the elementary curriculum expectations to provide the skills necessary for further study at the secondary level.

OPEN/DESTREAMED

An open level course has one set of expectations for that subject at the grade 9 and 10 levels. Open courses are appropriate for all students and are not linked to any specific post-secondary destination.

Q&A

Your Guidance Department is an excellent source of information on pathway choices.

Can a student change course types?

YES! Students can change course types. Speak to a Guidance Counsellor if this is something you are considering.

Do all of the courses that a student selects have to be the same type (i.e. all at the academic pathway?)

NO! Students are encouraged to take the type of course that best suits their interests, pathway plan and learning style. Students may select a variety of course types.

Is there somewhere I can go for help if I have questions about course selection?

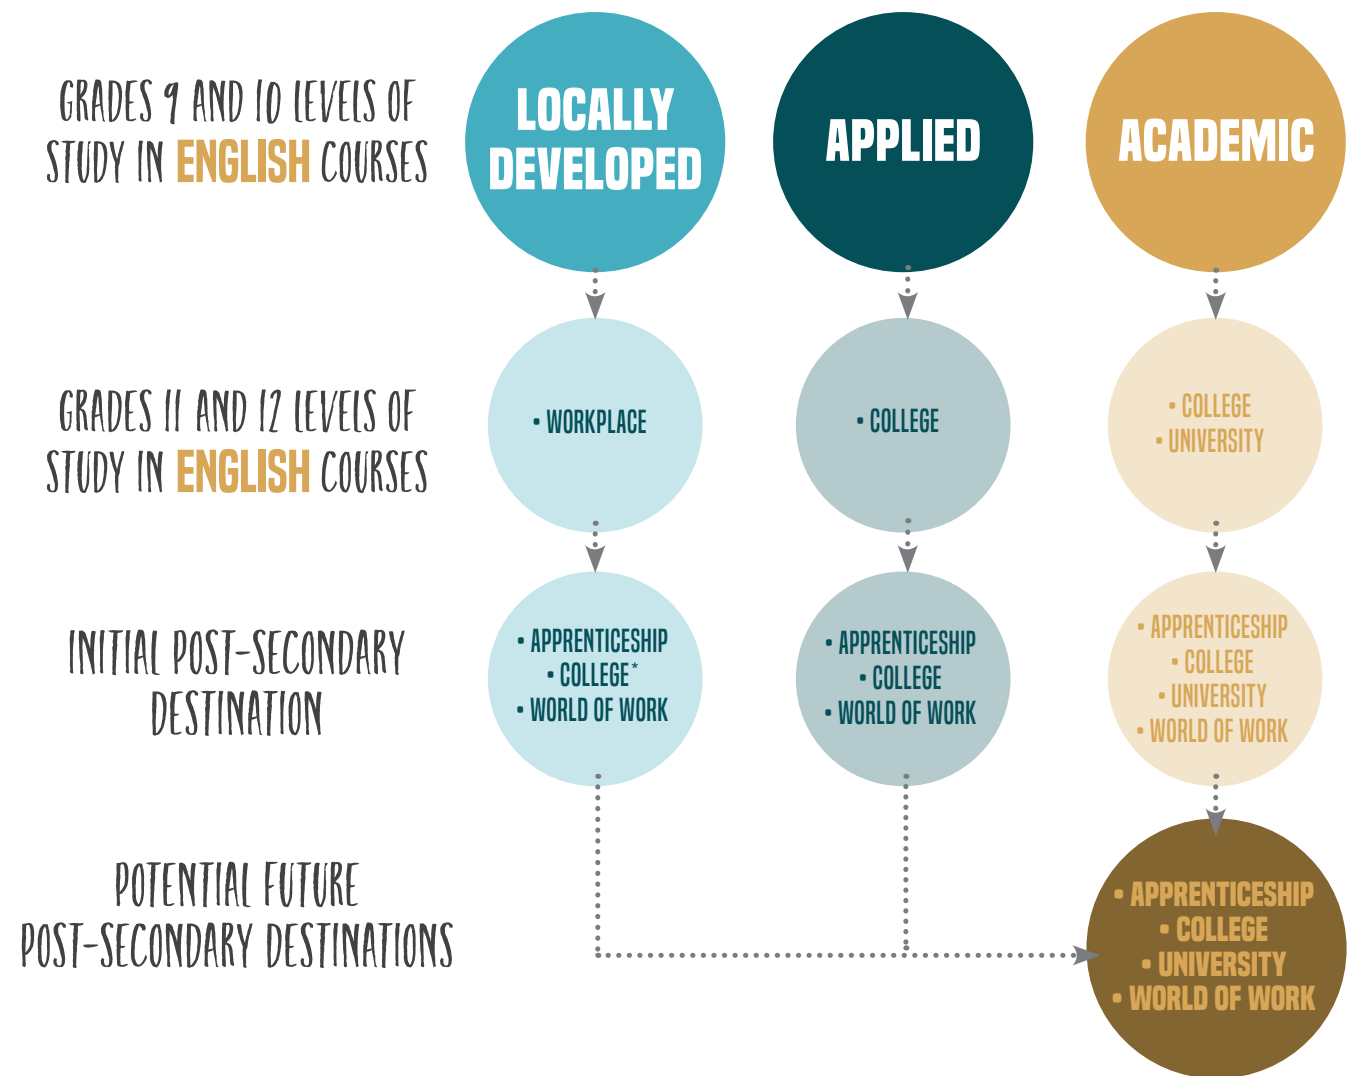

YES! Grade 8 teachers are available to assist with selecting courses for grade 9. All high schools offer information evenings to assist with the planning for the transition from grade 8 to 9. Please contact the high school for details about this evening. High School Guidance Counsellors are also available to help with any questions.

MAKE AN APPOINTMENT WITH YOUR GUIDANCE COUNSELLOR TODAY!

YOUR EDUCATION IS ONLY THE BEGINNING OF A JOURNEY AND DOES NOT DETERMINE YOUR DESTINATION. PATHWAYS CAN CHANGE. FOCUS ON THE JOURNEY.

High School and Beyond: Apprenticeship, College, University and the World of Work

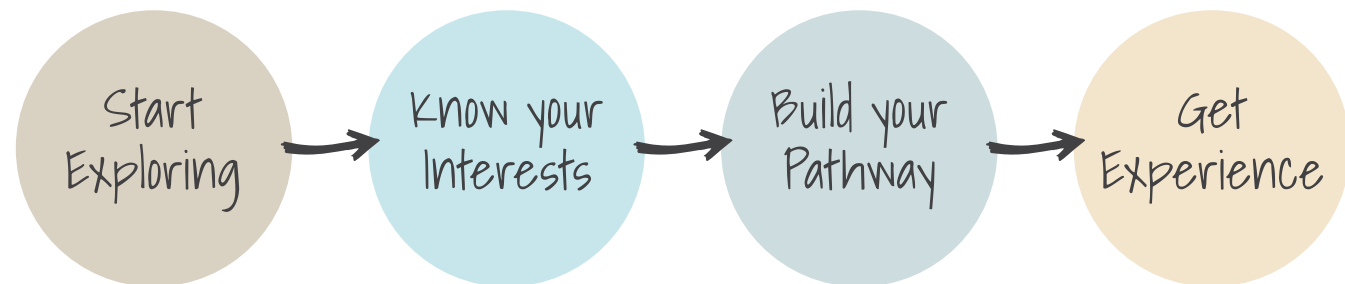

The Ontario Ministry of Education's *Creating Pathways to Success* document grounds our belief that: **all students can be successful, success comes in many forms and there are many pathways to success.**

*Ask your Guidance Counsellor about potential options.

myBlueprint

myBlueprint is web-based career exploration and planning tool that can be used to explore career and education options and develop a career plan.

BY LOGGING INTO THE UNIQUE DURHAM DISTRICT SCHOOL BOARD PAGE AT
myBlueprint.ca/ddsb

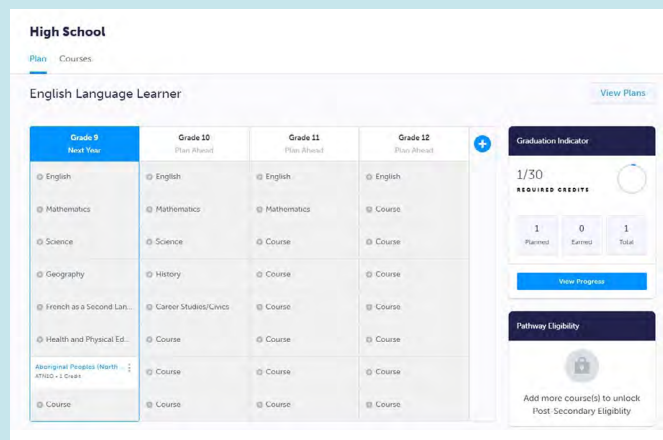

students can access exceptional assessment tools, occupational profiles and comprehensive post-secondary education information. You can view secondary school course calendars on the homepage.

myBlueprint
login

www.myblueprint.ca/ddsb

MYBLUEPRINT is a tool designed to help students translate their career and education exploration into concrete plans for success. It is to be reviewed at least twice a year. From grades 7 to 12, students document what they learn in the Education and Career/Life Planning Program in a web-based Individual Pathways Plan. DDSB students complete the requirements of their Individual Pathway Plan using myBlueprint. Students complete different myBlueprint activities in each grade to satisfy the Individual Pathway Plan requirements.

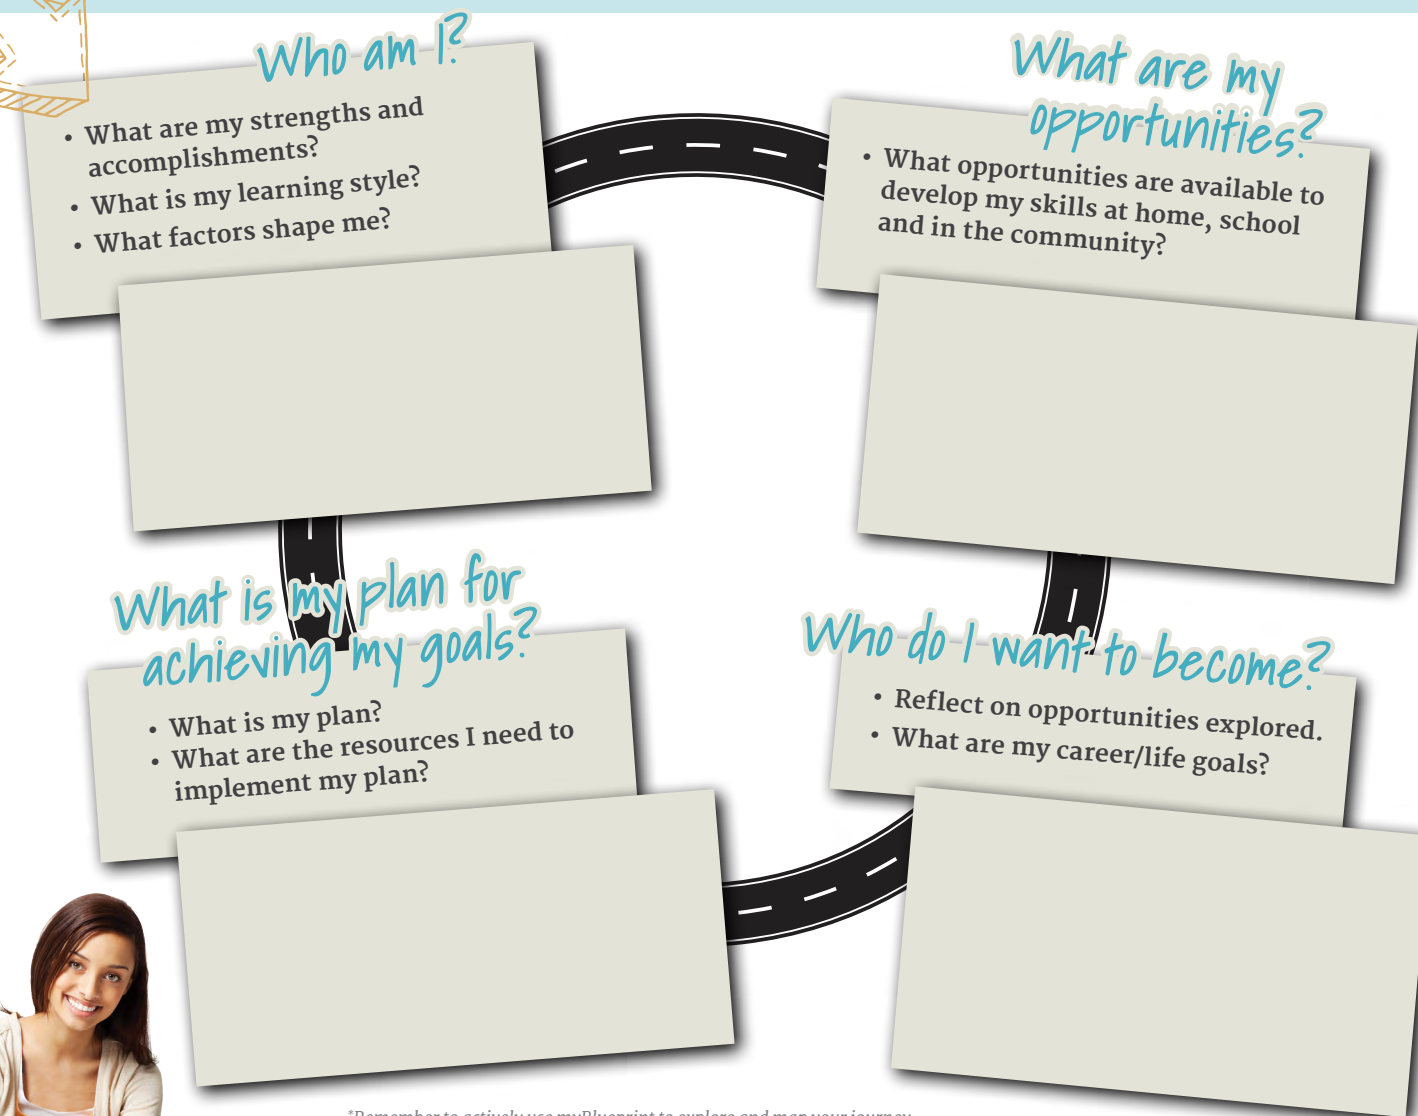

THE COURSE PLANNER MODULE of myBlueprint is used at all DDSB high schools. This planner allows students and families to select high school courses together online, track graduation requirements and plan for the future.

EDUCATION AND CAREER-LIFE Planning Process

Creating your PATHWAY to success

A pathway is your individual journey that includes opportunities and experiences in your school, at your home and in your community. The four step inquiry process is ongoing and cyclical. It helps you to establish your own personal goals and individualized pathway for your future. As you navigate your pathway, you will regularly return to the four questions, equipped with a greater knowledge of yourself and your opportunities and a growing understanding of how they can successfully shape your future.

**Remember to actively use myBlueprint to explore and map your journey.*

Creating Pathways for Success puts students at the centre of their own learning, viewing them as the architects of their own lives.

NUMERACY

LITERACY

GRADE 9 EQAO ASSESSMENT OF MATHEMATICS

Depending on the semester in which Grade 9 students take Mathematics, students must participate in the province-wide Grade 9 Assessment of Mathematics in either January or June.

Students with an IEP may write this assessment with accommodations provided those accommodations are contained in their IEP.

The assessment is usually administered over a total of two hours during two consecutive Math periods.

The purpose of the EQAO assessment is to strengthen accountability by informing students, parent(s)/guardian(s), educators and the general public about students' achievement and promote improvement by providing information that educators and parent(s)/guardian(s) can use to help students learn more effectively. In addition, parts of this assessment are usually marked by a student's individual Math teacher and account for a portion of the students' final grade. Results of the assessments are available in the fall of the following year.

Do you have questions about math?

Students are encouraged to visit and register at www.tvomathify.com/students where certified Ontario teachers can be reached online 30 hours a week to provide FREE Math tutoring for students in grades 7-10.

GRADE 10 ONTARIO SECONDARY SCHOOL LITERACY TEST (OSSLT)

All students are required to write the Grade 10 OSSLT. Successfully meeting the provincial literacy requirement is a compulsory provision to earning an OSSD. This test is based on the literacy expectations up until the end of Grade 9. Students must achieve the provincial standard (Level 3) to be successful. The test is administered in the second semester of a student's Grade 10 year.

Students who are unsuccessful on the test will have the opportunity to either retake the test in the following year, or enroll in the Ontario Secondary School Literacy Course (OSSLC). Successful completion of the OSSLC satisfies the student's OSSLT requirement for graduation.

Exemptions may be granted to students NOT working towards an OSSD. In certain circumstances, students may be deferred until a later administration of the test. Students with an IEP may write this assessment with accommodations provided those accommodations are contained in their IEP.

What can I do to prepare?

Students are encouraged to use the EQAO website at www.eqao.com to access more information about the test and view practice assessments.

Many schools host activities such as after-school sessions to assist students in preparing for the OSSLT. Students are encouraged to attend these enrichment sessions to learn more about the OSSLT, participate in engaging activities, and receive important information about the test.

English Language Learners are encouraged to speak with their ESL teacher about accommodations for the OSSLT.

OSSD GRADUATION REQUIREMENT

STUDENTS WHO HAVE AN IEP ARE ENCOURAGED TO SPEAK WITH THEIR SPECIAL EDUCATION RESOURCE TEACHER ABOUT ACCOMMODATIONS FOR THE OSSLT.

FRENCH Immersion

Certificate of Immersion Studies:

In order to obtain a Certificate of Immersion Studies, students must complete four French credits with a FIF course code from grades 9 through 12. In addition to the four credits in language courses, students complete a minimum of six other courses conducted in French. There is a wide variety of courses to choose from and these courses are equivalent to the ones that other students study in English in other departments such as History, Geography, Civics, Careers, Information Technology, Physical Education, Psychology/Anthropology/Sociology and World Issues. Students are encouraged to contact the Guidance Department at their individual schools in order to find out exactly which courses are offered in French.

International Languages Certificate:

Students in Core French who take French credits with a FSF code from grades 9 through 12, will receive an International Languages Certificate. Students studying Spanish in grades 10 through 12 with a Spanish (LWS) course code will also receive an International Languages Certificate.

DEL F:

The Diplôme d'études en langue française (DEL F) is an internationally recognized test of French proficiency. It is based on the Common European Framework of Reference (CEFR), which defines language fluency along six global levels: A1, A2, B1, B2, C1 and C2. At each level, proficiency is measured across four competencies: listening, speaking, reading, and writing. Students in both Core French and French Immersion who have or are taking their grade 12 French course have the opportunity to write the DEL F exam in their grade 12 year. Successful candidates will receive a diploma that is valid for life from the French Ministry of National Education.

For Students and Parent(s)/Guardian(s) SUCCESS IN SECONDARY SCHOOL

Below are important skills that support student success. For each skill, recommendations, warning signs and strategies for improvement are indicated.

ATTENDANCE

- RECOMMENDATION**
Students attend school every day and arrive to class on time.
- WARNING SIGNS**
Your child is missing school. Your child's report card shows more absences than expected.
- STRATEGIES**
Discuss your child's attendance record with the Vice-Principal. If your child is absent, ensure missed work is brought home.

HOMEWORK

- RECOMMENDATION**
Attend school everyday and arrive to class on time.
- WARNING SIGNS**
Your child is not doing homework regularly or says, "I don't have any homework" on a regular basis.
- STRATEGIES**
Call the subject teacher and get more informed about upcoming assignments as well as the amount of homework being assigned.

ORGANIZATION AND TIME MANAGEMENT

- RECOMMENDATION**
Take accurate notes and keep binders organized. Manage study time to prepare well in advance for tests.
- WARNING SIGNS**
Your child does not use an agenda to record assignments. Your child's notebook is disorganized or appears incomplete.
- STRATEGIES**
Obtain an agenda for your child. Talk to your child about time management and the use of an agenda and notebooks.

HELPFUL HINTS

Being Prepared for Class

Getting your school supplies together in the summer before classes start is a great idea. On the first day of class, individual teachers will let you know of any specific materials needed for a course.

TIP On the first day of class, exchange contact info with members of your class; this will make it easier to get missing info or find a little extra help for the course.

Being a Successful Student

Many academic difficulties can be solved with small behavioural changes.

TIP Attend your classes every day and go prepared with all of the supplies you think you will need, including paper, pens, pencils and a binder. Use an agenda to keep yourself organized and track homework and due dates.

Getting to School

Whether you take a bus or walk, have a plan well thought out ahead of time. Make sure you know the route you will take or where your nearest bus stop is BEFORE September.

TIP Plan on arriving early and have alternate plans if you fall behind in the morning.

Using a Locker

Students are assigned a locker at the beginning of the school year. Often, you can purchase a lock from the main office for a nominal fee.

TIP Keep valuable items at home! Keep your books, school supplies, backpack/bag, and lunch in your locker. Only take what you need for each half-day. Do not share your locker combination with others! The school is not responsible for lost or stolen personal belongings.

Planning and getting ready for SECONDARY SCHOOL

THINGS YOU CAN DO IN THE SUMMER BEFORE YOUR GRADE 9 YEAR
TO GET READY FOR SECONDARY SCHOOL

1 Register for the Getting Ready for High School Program

It is a four-day program offered in August at selected secondary schools through Durham Continuing Education to assist grade 8 students in making the transition to secondary school. Students, teachers, parent(s)/guardian(s) and administrators have wholeheartedly endorsed this popular twenty-hour summer program which provides an introduction to grade 9 Mathematics, English, study and homework skills, and time management. Additional information specific to home school initiatives is also added within the allotted timeframe to cover topics such as co-curricular activities, bullying prevention and equity programs.

Did you know?
There are many credit and non-credit reach ahead options for grade 8 graduates going into grade 9, including but not limited to Literacy, Numeracy, Geography, Math and French.

VISIT WWW.DCE.CA FOR MORE INFORMATION

2 Community Involvement Hours

www.ddsb.ca/en/programs-and-learning/community-involvement-hours.aspx

The summer leading up to grade 9 is an excellent time to start accumulating hours towards the 40 you must have to graduate high school. Here are some guidelines to get you started:

3 www.myblueprint.ca/ddsb

Spend additional time exploring pathway opportunities and initial post-secondary destinations in myBlueprint.

4 Health and Well-being

Review "Teens Can Be Resilient... in High School!" document. Visit www.durham.ca ⇒ Health and Wellness ⇒ Mental Health ⇒ Teen Mental Health Resources

Preparing for Opportunities in SECONDARY SCHOOL and beyond

Check out the DDSB publication "Pathways to Student Success" that is available in every school and at <https://www.ddsb.ca/en/programs-and-learning/resources/Documents/Pathways.pdf>

This comprehensive resource provides students and parent(s)/guardian(s) with information on a range of opportunities for individualized pathways to enhance student success. Information about the Regional Accelerated Ontario Youth Apprenticeship Program, Specialist High Skills Major Programs, Dual Credit Programs and focus programs are included in this guide.

APPRENTICESHIP

Apprenticeship is a combination of in-school training and on the job training delivered by a training delivery agent such as a college or trade school. Connect with your Guidance Counsellor and/or Cooperative Education teacher for further information.

COLLEGE

College prepares students for success in the cutting-edge careers of tomorrow in the areas of technology, innovation, and workforce development. Explore the over 5000 programs at the 26 publicly funded colleges in Ontario to see which ones suit your strengths, interests, and future goals.

UNIVERSITY

Ontario has 21 publicly funded universities with which offer programs in many areas. Explore the ones which suit your strengths, interests, and future goals.

WORLD OF WORK

The world of work can be a rewarding path. Connect with your Guidance Counsellor and/or Cooperative Education teacher for further information.

---	--	---	--

EQAO is an external accountability measure of achievement linked to the curriculum. The provincial standard is level 3 or 70%.

Report Card data reflects classroom achievement as demonstrated by students and linked to the curriculum. The provincial standard is level 3 or 70%.

Learning Skills are the assessment of demonstrated competencies of effective learners.

- All 3 types of reporting data are predictors of future student success; they are not however determinants of future student success.
- It is important to remember that all students can be successful; success comes in many forms and there are many pathways to success.

Life in SECONDARY SCHOOL

THINGS TO CONSIDER...

EQUITY AND DIVERSITY – The DDSB values and respects all members of our school community and has a commitment to embracing diverse social realities; while maintaining positive, safe and inclusive environments for all students and staff.

FIRST NATION, MÉTIS AND INUIT EDUCATION – The Durham District School Board (DDSB) is committed to student success and providing a safe and welcoming learning environment for all students, including First Nation, Métis, and Inuit students.

INCLUSIVE STUDENT SERVICES – Inclusive Student Services within the Durham District School Board strives to provide a range of programs, placements and services for students with special needs in a supportive environment which enables them to develop to their full potential as students and as members of their communities.

INNOVATIVE EDUCATION – The DDSB is reimagining learning and teaching spaces through digital technologies and have resources available to support student success. Access to technology and digital resources such as research databases, overdrive, and collaborative software, as well as Inclusive Technology applications, such as Read and Write support student learning and innovate teaching.

MENTAL HEALTH AND WELL-BEING – Do you feel like you or someone you know needs help but you don't know where to turn? Adolescents are encouraged to take that first step and speak to an adult they trust (parent(s)/ guardian(s), teacher, guidance counsellor, etc.) Remember—it is okay to talk. Help is available for when you are feeling anxious, stressed or overwhelmed.

SAFE SCHOOLS – The DDSB is committed to maintaining a positive school climate in schools in which students have the opportunity to develop in a safe and respectful learning environment.

PROGRAMMING TO LOOK FORWARD TO...

COOPERATIVE EDUCATION – Cooperative Education provides secondary school students with a wide range of rigorous learning opportunities connected to communities outside the school.

DUAL CREDIT – Students are able to earn both a high school credit and a college credit. The credits count towards their high school diploma as well as a postsecondary certificate, diploma, degree or apprenticeship certification.

ELEARNING – The DDSB offers a variety of online eLearning courses for our students. Students who are in grade 11 and 12 have an opportunity to enroll in two online courses per year (one per semester). For more information about eLearning opportunities, please contact your Guidance Department.

ESL/ELL – The Durham District School Board is committed to supporting our students and families as they transition to the education system in Ontario. Students may experience a successful integration into mainstream school programs through ESL and ELD programming which provides them with opportunities to develop language skills in both daily and academic English. Students and families may engage with Settlement Workers In Schools (SWIS) to connect with community services and resources. SWIS offer group sessions, assist school staff, and respond to settlement issues that some newcomers may experience.

ONTARIO YOUTH APPRENTICESHIP PROGRAM (OYAP) – OYAP allows a co-op student to begin to learn a skilled trade while completing the requirements for a high school diploma.

SHSM SPECIALIST HIGH SKILLS MAJOR (SHSM) – Students focus on a career path that matches their skills and interests while meeting the requirements of the OSSD. They receive a SHSM seal on their diploma when they complete a specific bundle of courses, earn valuable industry certifications and gain important skills on the job with employers.

TAKE OUR KIDS TO WORK – Students step into their future for a day and get a glimpse into the working world. The day involves students in grade 9 spending the day in the workplace of a parent, relative, friend or volunteer host, where they experience and learn about the world of work.
