PRINCIPAL'S MESSAGE

Congratulations class of 2024! You started high school amidst a global pandemic. You have persevered and adapted to ever changing routines, rules, and practices. Your flexibility and resilience have brought you to this important moment today.

Today we celebrate your accomplishments and success. Today we look with great anticipation into your bright futures. Enjoy and savour this moment – it is a beautiful one – full of sorts of feelings, memories and hopes. It is one that acknowledges the hard work, the challenges, and the fun of your high school years. Be sure to thank those who have played a part in your success – your teachers, EA's, coaches and advisors, and your family and friends.

I hope you will continue to do hard things. I hope you will continue to grow from your mistakes and from all your experiences – the good ones and the difficult ones. I hope you will enjoy the beauty of your world and that you will contribute to that beauty. I hope you will live your life with integrity and be true to yourself and all the amazing aspects of your identity.

Over the past four years you have acquired numerous skills, honed your critical thinking, enhanced your problem-solving abilities and embraced creativity and responsibility... but I hope, above all, you have learned to be good humans. I hope that you will take with you the importance of respect and kindness for yourself, for your environment, and for others.

We are extremely proud of you today. Congratulations!
