## PRINCIPAL'S MESSAGE

*Welcome families, staff, honoured guests and most importantly, welcome Class of 2025!*

*Congratulations! This is a wonderful milestone for you in your learning journey.*

*In your grade 8 year, we were in the middle of a pandemic – and so for many of you, your graduation from elementary school was a drive through ceremony. You are a resilient and adaptive group! You did not have all the regular transitions to high school with grade 8 tours, "Getting Ready for High School" courses, and Grade 9 Day. You started your first year here with two-hour periods and half days online, in quad-mesters. Yet despite or maybe even because of these restraints, this class stepped into your senior years of high school with enthusiasm and leadership. Through your mentorship in clubs and various classes you have made a point to connect with our elementary schools and especially our incoming grade 9s. You have created fun-filled grade 9 days and have been sure to welcome all new students to our school with kindness and guidance. Your high school beginnings were not easy, but you have flourished and by your graduating year – Richardson – we have one of the highest graduation rates in the board - an unbelievable 97%!*

*This was a stellar year for Richardson in so many ways – in Robotics hosting elementary and high school teams, in Law winning the Kelly Cup, in coding competitions and math contests achieving medals and certificates, in Cricket attaining the best in the Province with the Premier's Cup, in Unified Sports winning National level Silvers and Golds, in Track breaking long held track records, in Dance securing top team placements at Strive competitions, in Music attaining Gold and Silver standings at Musicfest Nationals, with Relay for Life breaking JCR fundraising records, and I could go on... Furthermore, on top of these incredible accomplishments and amazing talents, you as a class are kind, you are compassionate, and you are generous. I am very grateful to know you and to experience what lovely human beings you are. Keep caring. Keep lifting each other up. Keep cheering each other on.*

*Celebrate your accomplishments today and be joyful for the well-deserved success!*

*Congratulations!*
