

# GRADE 10 TO 11 COURSE SELECTION

---

FEBRUARY 2021

# WHAT IS OPTION SELECTION?

---

- The process where students choose their courses for the next school year.
- Students drive the timetable!
- Timetable changes are limited...so do your research, talk to teachers, your parents and guardians and **choose your courses carefully.**

# HOW IS OPTION SELECTION DIFFERENT THIS YEAR?

---

NO MORE CAREER CRUISING

DDSB IS NOW USING **MYBLUEPRINT** FOR COURSE SELECTION AND INDIVIDUAL PATHWAY PLANNING.

# HOW IS OPTION SELECTION DIFFERENT THIS YEAR?

---

STUDENTS CAN CHOOSE BETWEEN

**IN-SCHOOL IN-PERSON LEARNING**

OR

**SYNCHRONOUS VIRTUAL LEARNING**

*All courses have to be in the same format: if you decide to select synchronous virtual, you have to make all your choices synchronous virtual.*

# WHAT IF I CHANGE MY MIND?

---

Remember, the timetable is student driven.

The choices that are made now decide the spaces available in classes later. There will not be spaces held in the alternative format for you to switch into.

**YOU MUST CHOOSE**

**BUT CHOOSE WISELY**

# ONTARIO SECONDARY SCHOOL LITERACY TEST

---

EQAO will be field testing the online Ontario Secondary School Literacy Test (OSSLT) from March 2021 until May 2021. The field test will be available to students participating in in-person learning and working toward their Ontario Secondary School Diploma (OSSD). This will allow the opportunity for students in Grades 10 and 11, and non-graduating Grade 12 students, to attempt the OSSLT and, if successful, have it counted on their transcript.

## The Ontario Postsecondary Transfer Guide (OPTG)

### About the Transfer Guide

The Transfer Guide is designed to assist college and university students to find out how credits for learning at one institution can transfer to another among the publicly funded colleges and universities in Ontario.

The Guide provides information on:

- › **Course transfers**, detailing how individual courses can be transferred from one institution to another
- › **Program transfers**, detailing how a block of credit from your current program can be applied to a similar program at another institution
  - College diploma and advanced diploma programs to degree programs at colleges and universities;
  - College certificate to diploma and diploma to advanced diploma programs at other colleges;

**1. MAKE YOUR CHOICE FROM THE APPROPRIATE COURSES**

The screenshot shows a user interface for selecting courses. At the top right, there is a dropdown menu set to 'Gr. 10' and several icons. The main content area is titled 'High School' and has tabs for 'Plan' and 'Courses'. A search bar is visible with the text 'Search'. Below the search bar, there are 'Filters' and a 'Mathematics' category dropdown. A modal window is open, displaying details for the course 'MBF3C1 - Foundations for College Math'. The modal includes a close button (an 'X' in a square) at the top left. The course title is 'MBF3C1 - Foundations for College Math', followed by 'Grade 11', 'MBF3C1', and '1 Credit'. A description follows: 'This course enables students to broaden their understanding of mathematics as a problem solving tool in the real world. Students will extend their understanding of quadratic relations; investigate situations involving exponential growth; solve problems involving compound interest; solve financial problems connected with vehicle ownership; develop their ability to reason by collecting, analysing, and...'. Below the description, there is a 'Pre-requisites' section with two items: 'MFM2P' and 'MPM2D'. At the bottom of the modal, there is a 'Course Status' section with three buttons: 'Planned' (highlighted in blue), 'In-Progress', and 'Completed'. In the background, a list of courses is visible, including 'MBF3C1 - Found...', 'MCF3M1 - Funct...', and 'MEL3E1 - Math...

**NOTE:** You can use the “Add Comments” section to explain any issues to your guidance counsellor (i.e. taking the prerequisite in night school, or summer school)

# SUBMIT YOUR COURSES

---

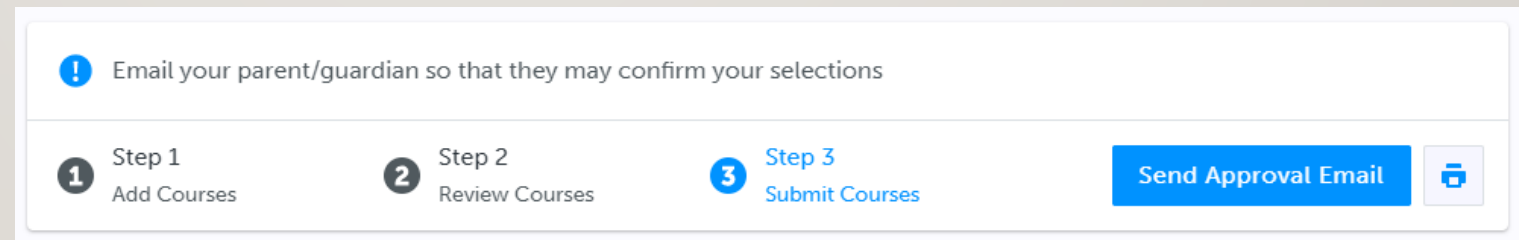

Once you've carefully reviewed the **Details** page to ensure that you are meeting the requirements for the courses you have selected and that the courses that appear are correct, click on ***Submit Course Selections***. Please note that you will not be able to modify your course selections once submitted (unless your guidance counsellor re-allows submission)!

# EMAIL PARENT APPROVAL/PRINT SIGN-OFF SHEET

---

- After submitting your course selections, you will either:
  - Click the blue **Send Approval Email** to email your parent/guardian to approve your course selections, or
  - Click the **Printer** button at the top right and return a signed copy by your parent to your counsellor or teacher

The screenshot shows a progress bar with three steps: Step 1 (Add Courses), Step 2 (Review Courses), and Step 3 (Submit Courses). Step 3 is currently active. To the right of the progress bar is a blue button labeled 'Send Approval Email' with a printer icon next to it. Above the progress bar is a notification icon and the text 'Email your parent/guardian so that they may confirm your selections'.

**Note:** You can also access the sign-off sheet from the High School planner – if it doesn't show after you've clicked the Printer button next to the Resend Approval Email button, check the pop-up blocker settings for your web browser.

# SUMMER SCHOOL

If you are doing summer school, you must still choose that course for next year. You can add a comment in “**Review Course Selections**” to inform your guidance counsellor of your plans.

Once you sign-up for summer school in May, the course will be removed and **your alternate will be put into your schedule.**

#### COURSE SELECTION:

Course selection presentations will be done IN-CLASS next week. Selections will be due by February 26th via myBlueprint. Course selection officially opens on Tuesday, February 16th. Students are encouraged to look at their options for next year but will not be able to lock in their choices until next week. We also encourage students to wait until after the presentation to submit their choices.

#### TIMETABLE CHANGES:

If you requested a course change for Quad 3 by the February 5th deadline we are still working on them and your patience is
