

# ***J Clarke Richardson Collegiate***

## **Selecting Grade 10 Courses for 2021-2022**

1. Students MUST SELECT 8 courses for next year. OPTIONS SELECTION DUE: MARCH 3, 2021
2. Students must choose between receiving their education through face to face, “in-class” instruction or “synchronous virtual” learning. **All courses** must be delivered in the **same format**.
3. You MUST choose the **5 compulsory grade 10 courses** (English, History, Math, Science, Careers/Civics)
  - a. For Math, English, Science and History choose Academic, Applied, or Locally Developed levels. *Students **changing math pathways from grade 9 applied to grade 10 academic** MUST take the summer school grade 9 academic math (MPM1D1) course or take grade 9 academic math (MPM1D1) in the first semester of grade 10*
  - b. All students will select the Careers and Civics class – choose course code CHV2O1 and GLC2O1
  - c. *NOTE: If you plan to attend university you should be taking Academic courses in areas needed for the university program to which you are applying. This always includes English, but may also include Math and/or Science. Check [www.electronicinfo.ca](http://www.electronicinfo.ca) for information*
4. Don't forget to select any Grade 9 compulsory courses that you missed or failed in Grade 9
5. Students will have a choice of **3 optional courses** in grade 10.
6. Make sure that you have taken your **ARTS compulsory requirement** by the end of grade 10. Grade 9 or 10 “Arts” courses are prerequisites for ALL but 1 Grade 11 Arts course. Prerequisites are specific to each area - Visual Art, Music, and Drama. Example: students need grade 9 or 10 drama (ADA1O1 or ADA2O1) before taking grade 11 drama (ADA3M1).
7. Course selection will be completed using myBlueprint  
>[www.myblueprint.ca/ddsb](http://www.myblueprint.ca/ddsb)  
>Select “School Account Login”  
>use your DDSB username and password to login

The timetable is student driven, that means students select the courses that we schedule for next year. Choose wisely, timetable changes are extremely limited and only possible if space remains in a class.

**DUE DATE FOR COURSE SELECTIONS: MARCH 3, 2021**
